

The IDignity offices are on the second floor of the Trinity Evangelical Lutheran Church and School Building located at 427 N Magnolia Ave, Orlando, FL. There is a combination code to enter the building. Please call/text our Resource Manager when you arrive, and she will meet you downstairs.

Just a tip on spotting the turn to the building. After the 30 MPH speed limit sign, turn right into the **second** driveway (one with breezeway). We hope the above pic from Google street view is helpful.

PARKING

IDignity has a limited number of spots designated within the lot behind the building. Any spots designated for Tenant Parking are fine to park in. There is metered parking (max 2 hours) on N Magnolia. There's also limited, but free 2 hour parking on Amelia (the street just past our building). Volunteer parking is located in the grass lot behind the building. We reserve the spaces near the building for our clients.
